Happy Thanksgiving!

The definition of *thankful* is showing *appreciation or gratitude*.

Defiance County Senior Services is *thankful* this year that our buildings have you in them! We love to hear the laughter of people and the opportunity to see you in person. We enjoy each of you in all of our programs from home delivery meals to transportation.

I am *grateful* to the staff who have been willing to be flexible during the pandemic to continue to serve seniors in our community.

I am *appreciative* to those in the community who have donated, volunteered, and offered support to our seniors.

Thank you to veterans who have served and those currently serving our great country keeping us safe.

I hope as we mark off the calendar days in November, each day we will remember to be thankful for what we have in our lives. Let's celebrate November by being thankful.

 If you are not vaccinated against Covid-19 you can get that anytime also! Covid-19 boosters are available for those who had the Pfizer vaccine and are over age 65.

Treasures in the Attic (Part 1) by Jackie Briskey

Many people store up treasures that for them bring back pleasant memories from their past. These treasures may be worth a fortune or they may be the simplest little article worth pennies in price but millions in memories. And these treasures may be stored away in an attic or proudly displayed prominently in the home for everyone to see and admire. As for myself, I have some of these items that once belonged to my parents and family and when I see them, I lovingly remember the person who once owned them. Some are on display, but most are hidden away for safe keeping.

Wool Carders are wooden paddles with coarse or fine wire teeth, much like a dog brush. The fine wire teeth are for delicate fibers such as cotton or angora. The coarse wire teeth are for wool, mohair and other coarse fibers. I own a set of these wool carders which once belonged to my maternal grandmother who was born in 1879. They are no longer in a condition to be used but the memory related to them is part of my treasure.

A Wash Board once used by my Mother shows it's age. The words printed on the wood above the rough metal surface is worn away by the constant use of her hands as she scrubbed our clothes on it. However, on the back, the name "*National Washboard Company*", is still visible as well as the phrase "*Made in USA*". This washboard is only a reminder of the hard work it once required just to get the laundry done, so unlike the ease of doing the laundry we have today.

Two War Ration books came into my possession. One of them contains the name of a cousin, David Ray, who was born in 1933. The other book contains a name that I don't recognize, but must have been someone in our family. This book has the date 5-28-45 written on it. Stamps for various rations are still attached to the insides of both books. They are yellowed with age but in good condition.

HEAP

Have you ever heard of HEAP? HEAP stands for Home Energy Assistance Program, and it is a federally-funded program managed by the Ohio Department of Development. It is designed to assist income-eligible consumers with winter heating or summer cooling costs.

There are 2 different components to the funding: HEAP and the Winter Crisis Program (WCP). To qualify for the programs your TOTAL household income must be below 175% of the federal income level.

HEAP provides credit one time per winter towards the primary heating source (gas, electric, fuel oil, wood). The benefit amounts vary depending on the following: household income, number of people in the household, type of primary heating source, someone in the home age 60+ or disabled, if you are enrolled in PIPP, federal funding levels and the region of Ohio you live in.

You can apply by going to: www.energyhelp.ohio.gov or you can schedule a telephone or virtual consultation by calling Northwest Ohio Community Action Commission (NOCAC) at 419-219-4641 to set up an appointment.

You will need the following to complete the application: Names and Social Security numbers of all members of the household; proof of income for all members age 18 or older for the last 30 days; proof of citizenship or legal residence; copy of recent utility bill and disability verification, if applicable.

Veterans Day

<https://www.history.com/topics/holidays/veterans-day-facts>

Have you ever wondered when we started observing Veterans Day? According to *History.com* Veterans day was originally “Armistice Day”. It was celebrated on November 11, 1919 which was the first anniversary of the end of World War I. In 1926, Congress passed a resolution to observe this date annually. In 1938 it became a national holiday. Veterans Day celebrates all veterans, living or dead, who served their country during war or peace.

Facts about Veterans day:

- ⇒ Veterans Day is always observed on November 11th each year. This honors the ‘eleventh hour of the eleventh day of the eleventh month’ of 1918.
- ⇒ President Dwight D. Eisenhower changed the name from Armistice Day to Veterans Day in 1954.
- ⇒ Under the Uniform Holidays Bill, the day was moved to the fourth Monday in October in 1971 but in 1975 President Ford moved it back to November 11th. This was due to the historical significance of the date.
- ⇒ Veterans Day commemorates veterans of all wars.
- ⇒ The United States is not the only country to celebrate their veterans. France, Australia and Canada also commemorate veterans of World War I and World War II on or near November 11th.
- ⇒ Europe, Great Britain and Commonwealth countries observe 2 minutes of silence at 11 am every November 11th.
- ⇒ Arlington National Cemetery is home to the graves of over 400,000 people and on Veterans and Memorial Day they hold services every year.
- ⇒ Today’s veterans are men and women from all walks of life. They are parents, grandparents, children and friends.
- ⇒ There are 18.2 million living veterans who have served during at least 1 war.
- ⇒ Women make up 9% of veterans.
- ⇒ 7 million veterans served during the Vietnam war.
- ⇒ 3 million have served in support of the War on Terrorism.
- ⇒ 16 million Americans served during World War II and about 325,000 were still living as of 2020.
- ⇒ 2 million veterans served during the Korean War.
- ⇒ The top 3 states with highest percentage of veterans (as of 2019) are Virginia, Wyoming and Alaska.
- ⇒ Major U.S. Wars include: Revolutionary War, The War of 1812, Mexican-American War, Civil War, Spanish American War, World War I, World War II, Korean War, Vietnam War, Persian Gulf War, Afghanistan War, Iraq War.
- ⇒ Twenty-six U.S. Presidents have been veterans.
- ⇒ During peacetime our veterans provide humanitarian aid and disaster relief; 70,000 troops assisted during Hurricane Katrina.

Thank you Veterans!

Did you know?????

The green bean casserole was first created in 1955 by the **Campbell Soup Company**. The inspiration for the dish was to create a quick and easy recipe around two things most Americans always had on hand in the 1950s: green beans and Campbell's Cream of Mushroom Soup.

"**Jingle Bells**" was originally composed for children to sing in a Boston Sunday School celebration. It was meant for the Thanksgiving season and had no connection to Christmas.

Pilgrims ate the first Thanksgiving meal with a knife, a spoon, and their fingers. The **fork** was introduced 10 years later by Governor Winthrop of Massachusetts, but didn't really catch on until the 18th century.

In 1980, the average turkey weighed 19 lb. Today the average is 31 lbs.

Pumpkin Pie was not a part of the first Thanksgiving, but is now America's favorite Thanksgiving pie.

Campbell's[®] Green Bean Casserole

1 Can (10.5 oz) Campbell's[®] Condensed Cream of Mushroom Soup

1/2 Cup Milk

1 tsp. soy sauce

4 Cups cooked cut green beans

1 1/3 cups French's[®] French Fried Onions (divided)

1. Preheat oven to 350°. Stir the soup, milk, soy sauce, beans and 2/3 cup of onions.
2. Bake for 25 minutes or until hot. Stir the bean mixture. Sprinkle the remaining 2/3 cup onions on top.
3. Bake another 5 min or until the onions are golden brown.
